## GROUP VISITS SCOTLAND

Study Links were delighted to welcome its first group to Scotland with a group of 24 students travelling to Edinburgh to experience Scottish culture and learn more about higher education in Scotland. The group made a visit to Edinburgh University, touring its fantastic and historic facilities and also attended an information session detailing student life in Scotland's capital and how to apply to the university. To sample university student life, the group stayed in university accommodation located next to Edinburgh's beautiful Holyrood Park. Edinburgh's historical centre was of course on the itinerary, with the group enjoying a tour starting from Edinburgh castle and finishing off their stay with a great hike up Edinburgh's extinct volcano - Arthur Seat. ### CELEBRATING 20 YEARS OF BUSINESS

Study Links celebrated its official 20 year anniversary on the 19<sup>th</sup> of June. We raised a glass to 20 years of providing international students with fantastic service, helping them reach their full potential in the UK.

We couldn't have reached this milestone without all of our incredible homestay families; our fantastic students and their supportive parents; our brilliant partner educational institutions and overseas agents; our trustworthy suppliers; and of course, our absolutely fantastic team based in the office and across the UK.

Of course we should not forget a special thanks to the families of our colleagues who, behind the scenes, support and understand the hard work of Study Links colleagues - especially when emergency calls have to be dealt with in the middle of the night!

**THANK YOU ALL, WE ARE LOOKING FORWARD TO THE NEXT 20 YEARS!!**

Celebrating 20 years of business!

### INDONESIAN GROUP VISIT TO NOTRE DAME 6<sup>th</sup> FORM COLLEGE

Notre Dame 6<sup>th</sup> Form College welcomed their first group of Students from Indonesia this year, offering them an immersion into daily lessons for one for three days from the 27<sup>th</sup> to the 29<sup>th</sup> of June.

A warm welcome was arranged for the group by providing buddies from the student body to assist the group and make sure that they got the most out of their visit.

This of course was beneficial for the hosting students who were able to have a fulfilling cultural experience and make friends with students from across the world.

One of the highlights for the Indonesian group visit was the Indonesian cultural show performed by visiting students which was attended by host students, teachers and homestay families.
