

ISSUE 92: AUGUST 2018

EXAM RESULTS ARE IN: WELL DONE!

Well done to all our students who received their GCSEs and A-Levels. We are extremely proud of you all! Our students should be particularly pleased as success in these exams is even more impressive considering they sat them in a foreign language. A-Level students should be particularly proud as A-level students have been awarded the highest proportion of As and A*s since 2012. Our students are thrilled to have got their first and second choices of University and are now looking forward to beginning higher education. For now take a well deserved break and be assured that Study Links will be here to support you on your next step on your academic journey. [See Page 2 for our Star Students!](#)
