**DISCIPLINE, PLANNING AND SOCIAL SKILLS  
STAR STUDENT DESCRIBES WORK EXPERIENCE IN THE UK**

As well as Guardianship and Homestay services, Study Links also arranges work experience for our students. Work experience is a great way for international students to gain valuable additions to their CV and also fully integrate into local culture and society. Don't take our word for it though! Instead, read a first-hand experience from Star Student - Maya Chukujama aged 17 from Nigeria studying at Durham School.

Maya volunteered at the British Red Cross and wrote a guest article to share with our readers about why she felt work experience was a valuable addition to her stay in the UK.

Read Maya's guest article [here](#).

Thanks for the interesting article Maya, we are sure you will inspire other students to do more great work across the country!
