INDONESIAN GROUP VISIT TO ST DOMINIC'S GRAMMAR SCHOOL

St Dominic's were the latest school to receive one of our groups from Indonesia with the visit starting on the Sunday 9th of September and finishing after a fun filled week.

Nikki Hastings, the school's Deputy Head, was the visit coordinator at the school and helped Study Links to source great homestays from families attending St Dominic's School. The School went to great lengths to make the group feel welcome arranging a trip to a Victorian town, a theatre visit, football matches with local teams and of course immersion into daily lessons at the school.

The group said they had a wonderful time during the visit and learned a lot about British culture and education.
