EMERGENCY CASES

Should emergency assistance be required Study Links will try to contact parents via the telephone and/or email contact details given on this form.

If contact cannot be made, approval is given for Study Links to act in loco parentis and assist the student in cases of illness, suspension, failure of the parents/students own arrangements, national or international transport problems, national or international medical problems or other unforeseen emergencies.

If parents believe their child is in an emergency situation, Study Links can be contacted at any time of day. During office hours, telephone: +44 (0) 1274 679710. Out of hours, telephone the emergency number +44 (0) 7884 101679.

Study Links reserves the right to use their professional judgement when deciding what does and does not constitute an emergency. All non-emergencies, or work following from emergencies that have been handled and Study Links no longer deem emergencies, may incur costs to cover staff time and expenses.

DEPOSIT

The deposit is to cover expenses incurred during an emergency only. For your convenience, Study Links can hold a larger deposit on your behalf to cover other incidental expenses, however this is not compulsory. Any funds remaining due to unused services will be transferred to your deposit.

Any final remaining deposit will be refunded at the termination of guardianship.

INVOICES

The first invoice will include the guardianship rate selected, registration fee, deposit, homestay, and return transport for all half-terms and leave-weekends unless otherwise specified in the application form. Any additional Add-On services requested will also be included.

Other unexpected expenses incurred by the student, for example damages, extra transport or homestay, will be invoiced for as they occur.

HOMESTAY

Homestay will be allocated according to priority preferences of the student/parents. Preferences and requests cannot be guaranteed.

Study Links will try to place the student with the same homestay each holiday (unless either party requests otherwise). This cannot be guaranteed.

If accommodation is required during the Christmas, Easter and/or Summer holidays please state clearly.

The Homestay Accommodation fee is £45 per night. If day-time only homestay is required, the fee is 50% of the night rate.

Private arrangements with homestay families recommended by Study Links is prohibited; for your child or any others for the period you use Study Links or afterwards.

Study Links **strongly** advise that parents do not allow their children to stay in hotels, B&B's or privately rented accommodation without the supervision of responsible adults. Study Links does not take responsibility for any arrangements made independently by either the student, parent or a third party and Study Links are absolved of all such responsibility.

TRANSPORT

Transport costs to a homestay will be fixed within a certain radius of the school. If the student/parents choose a location outside of the area, parents agree to pay any difference in transport costs. If Study Links' homestays are at maximum capacity in the area, there will be no additional fees for transport out of the area.

All other miscellaneous transportation costs vary according to distance.

INSURANCE

For the safety and security of students, Study Links will automatically arrange medical and travel insurance through our trusted partner. Insurance is automatically arranged unless opted out. The Insurance runs annually: 1st August – 31st July. Full Terms and Conditions of the insurance are provided [here](#). Insurance costs are added to the initial invoice. All claims must be made directly with the insurance provider. One term's written notice must be given to cancel this service.

CANCELLATIONS

Homestay accommodation is automatically arranged for all the term's holidays unless we are given notice.

Term 1:	12 th September
Term 2:	12 th January
Term 3:	As Easter changes every year, Study Links will inform you of the Term 3 deadline date at the start of each academic year.

There is no refund of the Homestay fee for any unused homestay cancelled after the deadline.

An administration charge of £50 is applied for any change to a confirmed homestay & transport booking.

Guardianship services will automatically continue from year to year until either side gives notice of termination or the student completes boarding school education, and prices may change each year.

A Term's Written Notice must be given if the Parents wish to cancel guardianship after acceptance, or if the Parents wish to withdraw the student after guardianship services have commenced.

If parents fail to do this, parents agree to pay until the end of the next term after notice is given, and a cancellation fee of £50 is incurred.
