ACKWORTH SCHOOL

11th December – 9th January

11–19 year olds

International children currently at
boarding schools in the UK

WELCOME

Welcome to the December 2020 residential with Camp Xplode and Study Links, bringing the Christmas spirit to camp for those children who are not able to travel home for the holidays this year. Located at a historic schools in beautiful Yorkshire, this residential will provide a safe, secure and fun environment for international children through activities, home comforts, Christmas and New Year celebrations.

COVID-SAFE

Taking exceptional care of each and every child who joins the residential, rules and procedures have been put in place to ensure safety and well-being for a warm and welcoming Christmas.

EVERYBODY IS WELCOME

The programme is available to any international students needing somewhere to stay during their school holidays who want an organised programme.

CAMP XPLODE

Camp Xplode is an exciting multi-activity holiday camp in England. Children spend the full day at Camp Xplode taking part in different activities such as sports, bushcraft, arts & crafts, performing arts, games. Camp Xplode welcomes around 200 native English children each day. The main goal focuses on helping children build skills, develop strong friendships, create lasting memories and feel like they are part of something great.

STUDY LINKS

COVID-19

The residential will be fully risk assessed to ensure all those who attend can have an exceptional Christmas experience in a safe and comfortable environment. We will be adhering to all UK Government Guidelines as well as the Boarding School Association Covid-19 SAFE charter and have significant risk assessments across all areas of the programme.

HYGIENE, CLEANING & MASKS:

All communal areas will be cleaned daily and rooms deep cleaned weekly. All students and staff will be expected to maintain the recognised NHS guidelines 'catch it, bin it, kill it' approach. Students will be required to wear masks whilst moving across site.

SOCIAL DISTANCING:

All participants will be required to maintain social distancing. Each bubble will be advised to adhere to these rules where possible.

ISOLATING & CARE IF STUDENTS DEVELOP SYMPTOMS

Whilst we take all precautions, if someone shows Covid symptoms, they will be isolated in separate accommodation and a test will be arranged. All members of that bubble will need to isolate until the test results are received. If the test comes back positive, all bubble members will isolate for 14 days. The person with Covid will be cared for by staff and NHS guidelines will be followed.

BUBBLES:

We will implement 'Bubbles' to ensure children remain safe. Each bubble of participants will consist of no more than 15 students plus staff. Household bubbles will be made up of children according to age group and gender.

COVID-19 TESTING:

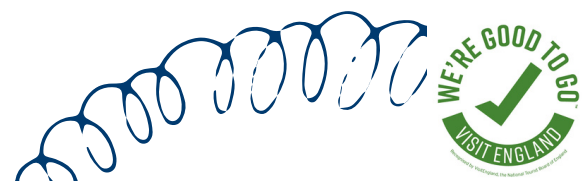

A pre-arrival Covid test will be sent out to your school a few days before arrival. Students must have a clear test no longer than 72 hours prior to the commencement of the residential.

All staff will be tested prior to the arrival of students.
