|  UCAS / Oxbridge Preparation | Price on application | | | |

TEACHER MEETINGS

Schools, colleges and universities in the UK may wish to hold meetings with Parents regarding the progress of their child both academically and/or about their well-being. This may be a general meeting to give an update periodically, or parents may be requested to attend a meeting about a specific issue such as poor behaviour or worsening grades which may be an indication of other issues. These meetings may be compulsory. Attending Teacher Meetings will ensure Parents are fully involved in their child's learning. As it's unlikely that parents based overseas will be able to attend, a Study Links Academic Consultant will attend Teacher Meetings on your behalf, ask questions and voice any concerns on your behalf. Our Academic Consultants are trained education professionals or with experience in supporting students, so they are very aware of learning needs. They will actively discuss your child's progress with their teachers and write up a full report for you which highlights where they are doing well, as well as areas of concern with suggestions for improvement. For any behavioural related meetings, Study Links will also help prepare students in advance of the meeting, so that the student presents well and therefore has a better chance of a successful outcome.

ADDITIONAL ACADEMIC ADVICE

On occasion, your child may require additional academic advice or an additional visit for academic purposes outside of the visits included in the guardianship package parents have selected. This includes but is not limited to academic counselling/support, subject choice advice, career guidance, university open days. Depending on the advice required, we can arrange for advice over the phone, online, or if preferred we can arrange to visit your child.

ADDITIONAL VISIT FOR NON-ACADEMIC PURPOSE

On occasion, you may want us to visit your child for pastoral reasons for example, to take them for a meal, shopping trip, Embassy visit, routine medical appointments (e.g. doctor, dental or optical) or bank appointments.

LOCAL OUTING

Study Links arrange local outings for our Elite Guardianship students which you may wish for your child to attend. These are usually local outings tailored to the student's interests, or meals at a restaurant, which will give your child the opportunity to meet other students and make new friends.

SHOPPING

If your child needs something urgently (for example, a mobile SIM card, mobile phone, books, clothes, etc.) we can buy this on your behalf and arrange for this to be posted or delivered to your child. The admin fee for this service varies depending on the value of the item.

ARRANGING ACCOMMODATION OTHER THAN STUDY LINKS HOMESTAY

If you require us to arrange your family's hotel accommodation we are always happy to help. This may be for a visit to the UK to visit your child or for a tourist visit. If you are visiting the UK, we would always welcome an opportunity to meet with you.
